

And if I go, while you're still here...

*Know that I still live on,
Vibrating to a different measure
Behind a thin veil you cannot see through.*

*You will not see me,
So you must have faith.*

*I wait the time when we can soar together
again,
aware of each other.*

*Until then, live your life to the fullest.
And when you need me,
Just whisper my name in your heart,
.....I will be there.*
