CELEBRATING A LIFE

Ron's Blessings

Faith, Family, Priests, Neighbors, KC and Council
Members, Co-workers, Medical Team,
Kindness from Many, God's Creations

My Heart with the Most Sacred Heart, Entwined

How my heart does long
To hear my neighbor speak
Of the Heart of Jesus all in flame
That I began too late to seek.

And yet how late is Love?
Not so late as not to spread
Its fire of love and treasures deep
Upon my life's short thread.

For the Most Sacred Heart of Jesus
Has turned my short thread to gold
And now weaves my heart to His
A tapestry of hearts all shall behold.

And so you, my neighbors, tell
Of the Most Sacred Heart of Jesus to the world
And in our lives, our faces, our voices, eyes,
May the Heart of Jesus be unfurled.
