

## *Our House*

Without love a house is just a house  
a ceiling, walls and floor,  
But fill that house with faith and love  
and it becomes much more.

Home's a shelter from the storms of life  
and sanctuary too,  
For loved ones wait behind the door  
to hug and comfort you.

Home may be a simple shanty  
beneath the stars above,  
But blessed are those who dwell within  
a house that's built with love.
