

Your Mother is always with you
 She's the whisper of the leaves as
 you walk down the street, she's the smell of certain
 foods you remember, flowers you pick,
 the fragrance of life itself.
 She's the cool hand on your brow
 when you're not feeling well,
 She's your breath of air on a cold winter's day.
 She is the sound of rain that lulls you to sleep,
 the colors of a rainbow, she is Christmas morning.
 Your mother lives inside your laughter.
 She's the place you came from, your first home,
 and she's the map you follow
 with every step you take.
 She's your first love, your first friend,
 even your first enemy,
 but nothing on earth can separate you,
 Not time, not space, not even death.
